Aliko is proud to be a farmer.

Here is Aliko the farmer.

Aliko lives in a small village called Mempasem.

Aliko has a big farm.

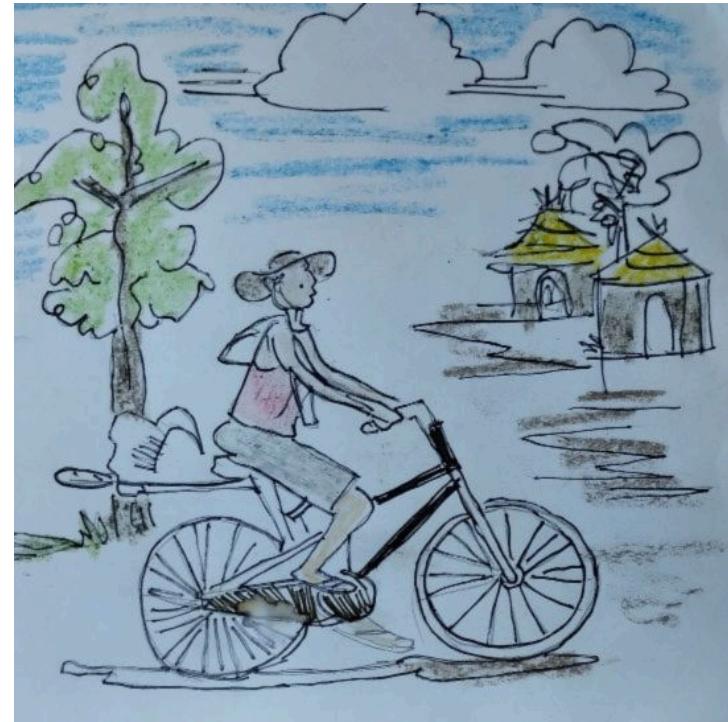

After eating and resting for a while, Aliko goes back to work on the farm.

During harvest time, Aliko sells some of his crops at the market.

In the afternoon when the sun is hot, Aliko takes a rest under a shady tree on the farm.

He also eats the food he brings from home.

Aliko leaves the house very early every morning to go to his farm.

At the farm he weeds.

He makes sure that his crops grow well.

He grows many crops on his farm.

He has plantain, banana, cassava, yam, cocoyam, okro, tomatoes and coconut.
