Animals run away
African Storybook
Magriet Brink

The animals lived
together happily in the
house.

An old woman had
chickens and an old
rooster.

Her grandson visited
her. She decided to kill
the old rooster.

The thieves ran away
forever.

The thieves returned later. The animals attacked them.

The old rooster ran away to the big city.

The old rooster met the
cat running away from
her boss.

They ate the food they
found in the house.

The animals sang loudly
to chase away the
thieves.

The old rooster and the
cat met the dog running
away.

They were joined by a horse which was running away too.

The animals came to a house. They saw thieves inside!
