A braai day

Andrea Niederer
Noeh Cotti

While walking home, the children eat their lollipops.

At home Mama Nkosi says,
"Thank you so much, I am proud
of you! Now we can prepare for
the braai."

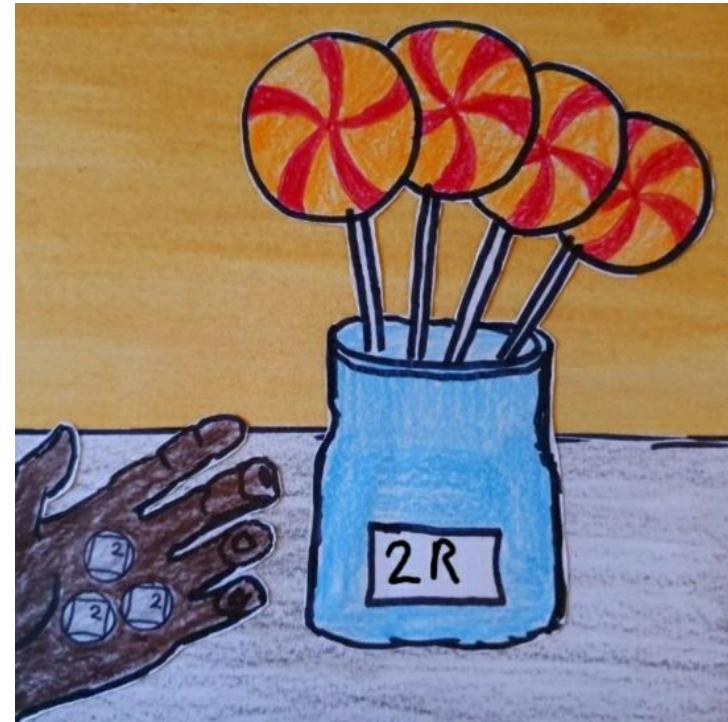

Today is a special day!
It is Gogo Maria's birthday.

The whole family is coming
together for a big braai.

Mama and Baba Nkosi start to prepare for the braai.

Mama Nkosi says, "Oh no! There are a few ingredients missing!"

"Yay, we have R6 left! One lollipop costs R2."

"How many lollipops can we buy?"

"If we have R6 left and 1 lollipop costs R2, we can buy 3 lollipops!"

Now the children know how much it costs.

"How much money do we have left for sweets?"

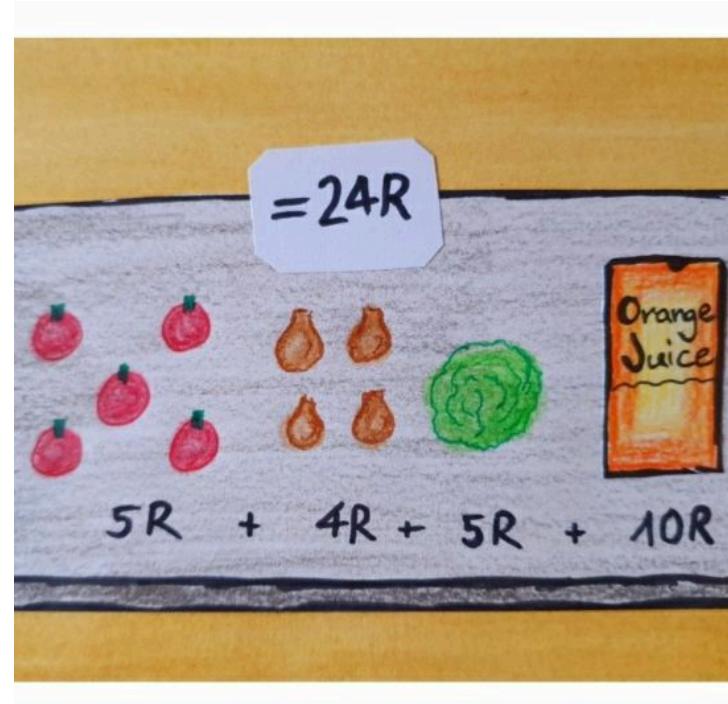

Mama Nkosi calls the children, Sipho, Thembani, and Themba.

"Can you go to the supermarket and buy the missing ingredients, please?" asks Mama Nkosi.

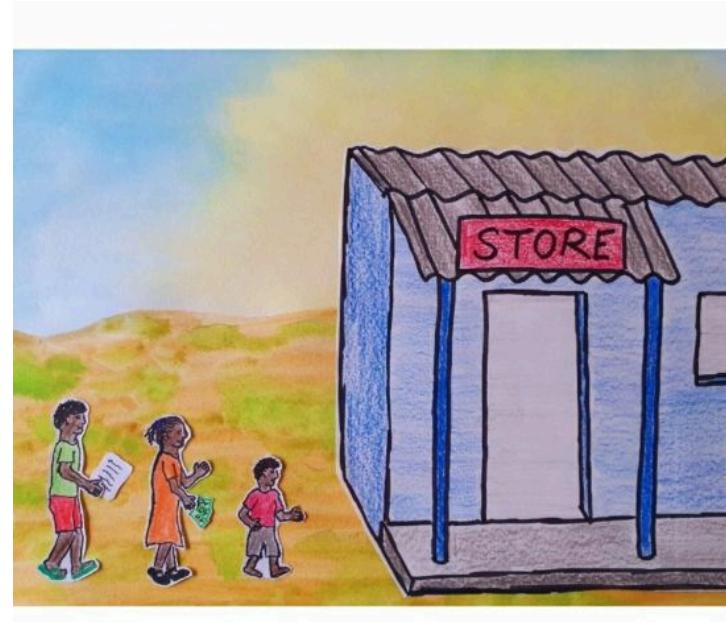

"Here is the shopping list and money. If you have money left over, you can buy sweets for yourselves!"

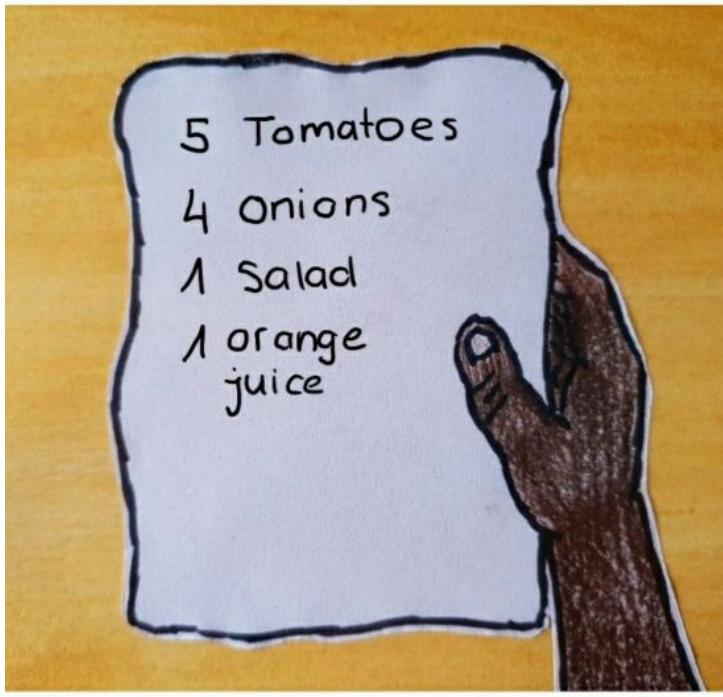

"This should be everything! How much does it cost? Let's calculate!"

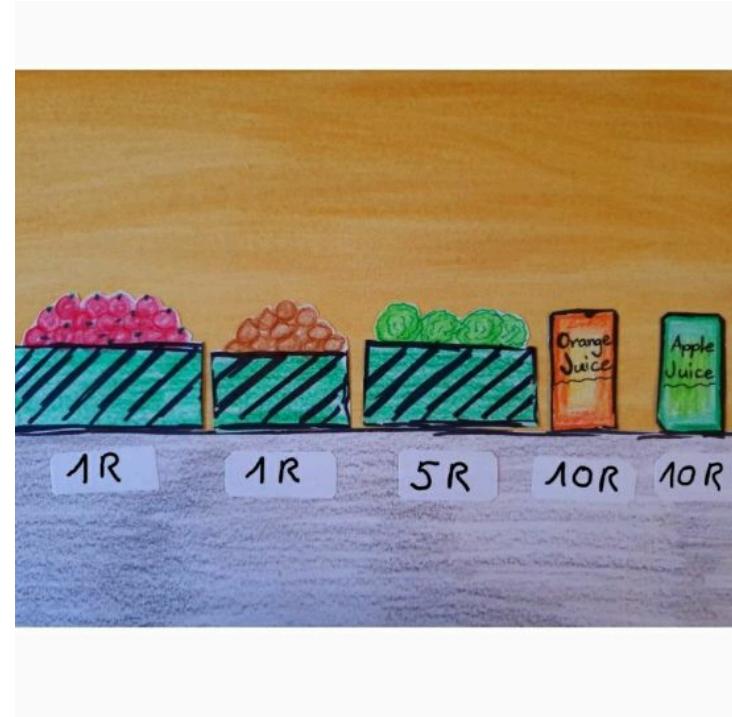

The three children put the groceries in the shopping basket.

The three children walk to the shop.

"This is the list that Mama gave us."

"So what do we need exactly?"

"These are the things that we need."
