A very tall man
Cornelius Wambi Gulere
Catherine Groenewald

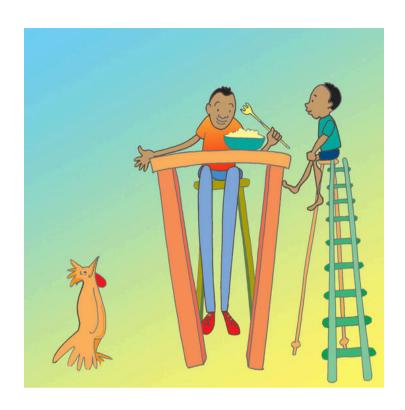

His hoe was too short.

His doorway was too low.

He left his house and lived in a big forest. He lived for many years.

He sat on a very high chair. He ate with a very long fork.

His bed was too short.

His bicycle was too short.

He bought a very high bicycle.

He made a very long bed.

This man was too tall!

He made a very long hoe handle.

He made very high door frames.
